NORO

TOWEL WARMER UNO 75X1400 BLACK

Item number: 330156

A modern towel warmer with two fixed hooks where your towels can be hung to dry between uses. Available in stainless steel and black matt. The long and neat shape means that the towel rail fits well in small bathrooms and the built-in timer function reduces electricity consumption. Install it directly with a plug in your electrical outlet or take the help of an electrician to mount it with a hidden electrical connection. IP44. Complete with cord and plug and accessories for hidden electrical connection.
