NORO

TOWEL WARMER DECO 260 CHROME

Item number: 0873

A smart and easily placed towel warmer with upright chromed pipes for maximum drying effect. The towel warmer is equipped with fixed hooks at two different heights for different sized towels. Deco 110 can be connected to an electric element or a one-hole valve. 190 and 260, however, can combine both for dual operation. Additional items: Electric element or one-hole valve.

Detailed information

Item number	
NOBB	51588543
RSK	8684463
EAN	7340032408737
Standards and classifications	
EN standard	EN442
CE marked	Yes
ETIM	EC011023
Product dimensions and weight	
Width	260
Depth (mm)	70
Height (mm)	1200

Main material	Steel
Surface treatment	Chromed
Packaging dimensions and weight	
Package height(m)	1,300
Package width (m)	0,100
Package depth(m)	0,300
Package weight(kg)	14,000
Miscellaneous	
Power Water (⊠T50°)	215W
Connection	Electric operation with element, Central heating with water, Dual operation – water & electricity

Care instructions

Regularly remove lime residue with a damp cloth. Do not use detergents that are corrosive, acidic or abrasive as it can cause permanent damage to the surface. Remember to fill your towel warmer with glycol if you have it in a room exposed to subzero temperature, such as summer residence. Save your heaters installation instructions as you may want to adjust the settings
