NORO

BASIN CEMENT

Item number: 320211

Concrete washbasin. Concrete is a rustic material with variations in color and surface. The surface is sealed to close the pores of the concrete and makes the inside of the sink more stain resistant. However, natural pores on the outside of the sink can occur. Each product is handmade and unique. Has a drop line from the mold that should be placed against the wall. Without overflow protection. Supplied without bottom valve and water trap.

Detailed information

Item number	
NOBB	55585774
RSK	7539539
EAN	7340032428797
Standards and classifications	
ETIM	EC011550
EN standard	EN14688
CE marked	Yes
Product dimensions and weight	
Width	400
Depth (mm)	400
Height (mm)	160
Net weight (kg)	9

Material and surface treatment	
Color	Dapple-grey
Main material	Concrete
Packaging dimensions and weight	
Package height(m)	0,430
Package width (m)	0,430
Package depth(m)	0,170
Package weight(kg)	10,000

Care instructions

Concrete is a rustic material with natural variations in colour and surface. The material is porous and the surface of the basin has both been hardened and sealed to make the surface more resistant to stains. Treat the surface of the sink with wax (e.g. car wax) every 6 months. The surface can be damaged by abrasive sponges, scrubbing powder and similar products, which eventually leads to stains and damages that can't be repaired. Wipe of water drops with a soft cloth after use to avoid lime coating. If water is left standing in the basin, dark areas may occur which disappear after a few hours. Do not expose the washbasin to water with a temperature higher than 60°C or rapid temperature changes. Clean the washbasin with a damp cloth or sponge and possibly a little mild detergent. Avoid steel wool, abrasive sponges etc. Avoid cleaners and products containing abrasives, acids, ammonia, acetone or other chemicals (e.g. scrubbing powder, hair spray, hair colour, bleach, hair removal and nail polish remover etc.). Should you spill any of the above products on the wash basin it should be removed immediately to
