Package depth(m)	0,055
Package weight(kg)	12,770
Miscellaneous	
Heating	Vatten/El
Power Water (⊠T50°)	508W
Connection	Dual operation – water & electricity

Care instructions

Regularly remove lime residue with a damp cloth. Do not use detergents that are corrosive, acidic or abrasive as it can cause permanent damage to the surface. Remember to fill your towel warmer with glycol if you have it in a room exposed to subzero temperature, such as summer residence. Save your heaters installation instructions as you may want to adjust the settings
