

SHOWER CORNER FROST CONCEPT BLACK WALL 900

Item number: 302063

The Frost Concept shower enclosure is a flexible and modern shower solution consisting of a fixed shower enclosure together with a shower door, for installation in corners. This shower enclosure gives you a lot of variation. You choose the solution that suits you best. The door can be installed with surface-mounted pipes up to 30mm diameter. A profile for external pipework to the fixed shower wall is available for purchase. The curtain rod is 120 cm and easy to cut to the desired length and is attached to the wall or ceiling.

Care instructions

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
