NORO

TOWEL WARMER ARC BLACK 500X1200 BLACK

Item number: 330105

Our Arc black matte towel warmer with its attractive and practical asymmetric design. Now also available in black. The asymmetric design makes it easy to hang towels by either sliding them in from the side or hanging them from the ends of the pipes. Choose whether you want to place the towel warmer with the vertical pipes on the right or the left. Fitted with an electric element or a one-hole valve.

Care instructions

Regularly remove lime residue with a damp cloth. Do not use detergents that are corrosive, acidic or abrasive as it can cause permanent damage to the surface. Remember to fill your towel warmer with glycol if you have it in a room exposed to subzero temperature, such as summer residence. Save your heaters installation instructions as you may want to adjust the settings
