Item number

NOBB 60070554
EAN 7340032434491

Standards and classifications

ETIM EC010013

Product dimensions and weight

Width 400
Depth (mm) 350
Height (mm) 1555
Net weight (kg) 28

Material and surface treatment

Main material Chipboard, MDF
Front material MDF
Body material Chipboard
Surface treatment Melamine faced
Color svarttrastruktur

Packaging dimensions and weight

Package height(m) 1,600
Package width (m) 0,445
Package depth(m) 0,400
Package weight(kg) 32,000

Miscellaneous

Suspension type Justerbara
upphängningsbeslag
Opening function Soft close

Care instructions

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
