Depth (mm)	420
Height (mm)	632
Net weight (kg)	73

### Material and surface treatment

Front material	MDF
Body material	Chipboard
Surface treatment	Lacquered
Surface finish	Matt

### Packaging dimensions and weight

Package height(m)	0,415
Package width (m)	1,122
Package depth(m)	0,300
Package weight(kg)	76,200

## Care instructions

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
