

MIRROR MOOD ROUND WITH LIGHT LED 700

Item number: 320165

The Mood mirror from Noro is a round bathroom mirror with a diameter of 70 cm and integrated LED lighting. The mirror has an elegant black frame all around. The light spreads a pleasant glow inward, providing good facial lighting.

With the mirror's touch function, you can easily adjust the light – form warm to cool light depending on your preference. Mood fits just as well in the bathroom as in your hallway, and it works great as a make-up mirror. Adjustable mounting brackets make installation easy. The mirror is IP44-rated and suitable for bathroom environments.
