NORO

TOWEL WARMER HOME 530X680 BLACK RIGHT

Item number: 330151

A small, functional towel warmer ideal for both traditional and stricter, more modern bathroom interiors. The generously spaced pipes provide room for many towels and the built-in timer reduces electricity consumption. Plug it directly into an electrical socket or get an electrician to fit it with a concealed electrical connection. IP44. Complete package with power cord and plug and accessories for a concealed electrical connection.
